

Shouldn't the law protect every person?

We are all created in God's image. He has a plan for each one of us.

In Florida, the right to life is not extended to the preborn and legal protection for our elderly and disabled is presently in jeopardy.

Personhood Florida has prepared an Amendment to the Florida Constitution that recognizes the God given right to life of all humans as "persons" regardless of age, race, creed, mental or physical ability. It will establish justice and respect for life from the moment of biological beginning until natural death.

Personhood Florida needs to collect approximately 70,000 valid petitions for the Personhood Amendment to go to the Supreme Court of Florida for approval for ballot access. To restore our Constitutional rights, we are working to raise up a "Gideon's Army" of 300 volunteers to help collect 700,000 signatures in a two year window to allow voters to amend the constitution.

Help protect elderly, disabled and preborn persons by signing and circulating this Prolife Petition for the FL Personhood Amendment!
